Dear Parent/Carer,

Unfortunately following the letter of Friday 22nd January regarding the 'Safeguarding of pupils during lockdown' the number of pupils present in the form tutor 'check in', with their cameras on, has been disappointing (approx. 40%). Please support us in supporting our students by working with us to ensure they engage. The Portfolio Holder for Education has asked that schools request additional support from the Education Welfare Service if satisfactory contact cannot be made.

Therefore, it is vital that your son and/or daughter attends these meetings, as it is very important for us that we know they are safe and well. During the meeting students must have their camera on to enable the tutor to SEE them and engage in a conversation so they can HEAR them. This is an opportunity to ask about any problems they may have with work, but more so to have some direct contact with their form tutor, as well as their classmates.

If we cannot contact you, or do not see or hear your child, we will have to ask you to bring your child to school to enable us to have face-to-face contact with them. Failing this, we will have to refer your child to the Education Welfare Officer who may undertake a home visit to confirm they are safe and well.

Finally, we have received very positive feedback about the live lessons taking place, please continue to ensure you son/daughter is attending all of these, as registers are also taken to monitor their engagement.

I look forward to your support and cooperation on this issue.

Yours sincerely,

Huw Lloyd-Jones  
Assistant Headteacher
