Summer assessment update

27th May 2021

Dear Parents and Carers,

This week, we received the final raft of information from Qualifications Wales and WJEC concerning appeals. This means I am now in a position to share the final arrangements before the publication of students' WJEC GCSE, BTECs and A-level grades in August.

Grading and appeals

Teachers have informed students of the assessment and other evidence that will be used to determine their grade in each subject. Students have been working exceptionally hard on these assessments to achieve their best possible grade. Can I please take this opportunity to thank you and your child for all your support and hard work during this time.

Schools and colleges across Wales have applied internal quality assurance arrangements and WJEC has undertaken external quality assurance of arrangements for summer 2021. However, errors may occasionally occur. Therefore, once your child has received their provisional Centre Determined Grades (CDGs), they have an opportunity to ask the school to provide the Learner Decision Making Record (LDMR) for subjects where they believe an error may have been made. The LDMR provides the teacher's rationale for the grade awarded. After reading the rationale, if your child still genuinely believes an error has been made that has had a material effect on the accuracy of their provisional CDGs, **they are able to request that the school review the grade**. All centre review requests must use the WJEC Centre Review and Appeals Request Form that will be provided when grades are released. Learners are not able to negotiate which evidence is included in the range of evidence used to determine their grades.

If they ask for a grade to be reviewed, your child must provide written permission because **the grade may go down** as a result of the review.

Where applicable, once centre reviews are complete, we will share the outcome with your child and submit their provisional Centre Determined Grades to WJEC. These grades are still provisional at this stage as WJEC will need to undertake some additional checks with the school.

As ever, please do not hesitate to contact us here at school if you have any questions.
