## Covid safe school – September 2021

The Welsh Government has very recently updated the operational guidance for schools, and this has informed the arrangements that will be put in place. When pupils return to school in September it is the intention of the Local Authority to maintain the controls we were operating during the summer term, with only **very minor** changes. These arrangements will be in place to reduce the number of contacts in school and prioritize the safety of pupils and staff.

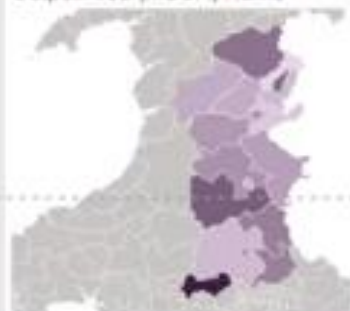

This is a cautious approach which will be reviewed

# Powys Index Cases (18/08/21 – 24/08/21)

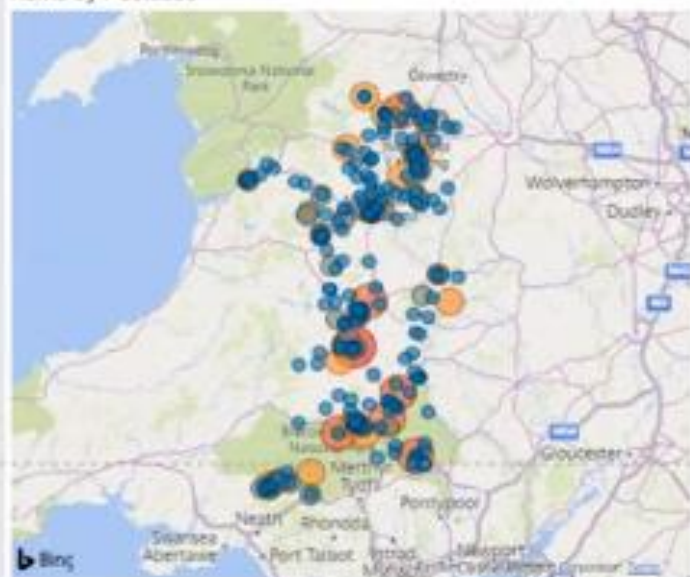

This page is displaying the number of **Index Case** for Powys Teaching Health Board

Number of cases  
**417**

## Covid safe school – September 2021

- **School transport** will operate as normal. Older pupils (Year 7 and up) will continue to wear face coverings on school transport, and will be issued with a new bus pass that contains a QR code to ensure pupils use the correct transport provided by Powys County Council.
- **Face coverings** will still be required to be worn by all adults and pupils from year 7 – 13 whenever they are inside the school building
- **Social distancing** will still be applied between staff and pupils, and as far as possible between pupils. Classroom seating will be arranged to avoid face on interaction between pupils.
- **Hand hygiene** will continue to be encouraged.
- There will continue to be **increased ventilation** in the school building.
- Teachers will be in their usual teaching rooms, allowing pupils access to the full curriculum and specialist teaching areas. New timetables will be issued to pupils in September.
- **Secondary phase pupils** will begin to use the PE changing rooms, therefore there is no need for them to arrive at school in their PE kit on the day of their PE lesson. **Primary Phase pupils** should come to school in their PE kit on the designated day.

## Covid safe school – September 2021

- Year groups will have designated outside areas for break and lunch. Pupils will need to ensure they dress for the weather (sun cream, coat, umbrella, etc.). Unless conditions are severely inclement, pupils will be encouraged to be outside during break and lunch times.
- Food will be served at break and lunch at staggered times from different locations. Each year group will have a designated area for purchasing and eating their lunch. Alternatively, pupils can bring a packed lunch if they prefer.
- Pupils must come to school organised and ready for the day, including having all their stationery and plenty of fluid to drink throughout the day.
- Designated toilet facilities will be assigned to particular year groups.
- Microsoft Teams will again be used to support learning and assessment throughout the school. Teams will also be used to facilitate homework.
- Isolation areas will remain in place for pupils who become unwell with Covid symptoms during the school day. These pupils will need to be collected by parents immediately.
- School clubs, fixtures, events and trips will initially operate in a limited capacity.
- Face-to-face meetings in school will again not yet be possible. Please contact the school if you wish to discuss anything and we will organise a virtual meeting if necessary. Please do not visit reception unless it is absolutely essential.

## Covid safe school – September 2021

- If your child feels unwell do not send them to school. If your child or any member of your household develops possible Covid symptoms, or tests positive for Covid please follow all instructions from the Track and Trace team regarding self-isolation and arranging Covid-19 PCR tests.
- Positive cases of Covid should be reported directly to NHS Track and Trace. Upon return to school please remember to let us know about any confirmed cases by email [office@llanfyllin.powys.sch.uk](mailto:office@llanfyllin.powys.sch.uk)
- Pupils have not been expected to continue lateral flow testing (LFT) over the summer period, but those who have opted in should resume testing upon return to school.

# Face Coverings

- Please be aware that the routine use of face coverings **will be still required** by pupils (Year 7+) and staff whenever they are inside the school building, including classrooms.

# Profion Covid ar gyfer Staff Addysg

## Covid Testing for Education Staff

As we did in the summer term - Lateral flow tests every **Wednesday** and **Sunday**:-
