Dear Parent / Carer,

RE: Wider Opportunities Project - Free Instrumental Lessons

This year we are lucky to be able to offer an amazing musical project to all pupils in years 3 – 6. The Wider Opportunities Project will focus on a brass instrument project where all pupils will receive weekly group tuition on a brass instrument. The aim is not only to teach all pupils how to play a brass instrument but also to form a small school band. We are hoping that this will eventually lead on to the formation of a larger band with pupils throughout the school.

How much will it cost?

There will be no cost to parents/carers. All costs, including tuition and the purchase of instruments, are covered by the school.

Who is it for?

All pupils in years 3 – 6.

What are the benefits?

A great deal of research has been carried out looking at the benefits of pupils learning a musical instrument. In general, these benefits include; increased cognitive ability; improved confidence, patience and resilience; increased memory and creativity and forms a great way to relieve stress.

When will it happen?

Your son/daughter's class lesson will take place once a week for 25 minutes and will form part of their weekly music curriculum time.
