Ysgol Llanfyllin follows the Equality Act 2010 and has three key duties towards pupils with protected characteristics, including disabled pupils:

1. Not to treat disabled pupils less favourably for a reason related to their Disability.
2. To make reasonable adjustments for disabled pupils, so that they are not at a substantial disadvantage.
3. To plan to increase access to education for disabled pupils.

This plan sets out the proposals of the Governing Body of the school to increase access to education for disabled pupils in the three areas:

- Increasing the extent to which all pupils can participate in the school Curriculum.
- Improving the environment of the school to increase the extent to which all pupils can take advantage of education and associated services;
- Improving the accessibility to all pupils of information which is provided in writing.

The purpose and direction of the school's plan: vision and values

The key objective of the school is to reduce and eliminate barriers to access to the curriculum and to full participation in the school community for pupils, prospective pupils, adult users with a disability, staff and governors. - To take reasonable steps to avoid putting disabled pupils at a substantial Disadvantage.
To publish an Accessibility Plan.

Information from pupil data and school audit

Definition of disability: Disability is defined:

“A person has a disability if he or she has a physical or mental impairment that has a substantial and long-term adverse effect on his or her ability to carry out normal day-to-day activities”.

School strengths:

Ysgol Llanfyllin's buildings are well designed to meet the needs of disabled pupils:

- The vast majority of classrooms are on the ground floor;
- There are lifts available to the first floors of the two main teaching blocks;
 - The use of classrooms can be rotated to meet pupils needs;
 - We have two accessible toilets.

School weaknesses:

- There are 6 classrooms located in mobile buildings to which disabled access is possible, but not straightforward. We are currently unable to cater for those who are multiply impaired
- There is differentiation in PE lessons, as the gym is not accessible to wheelchair users.
There are handrails on one side of the staircases only.

The main priorities in the school's plan

1. Increasing the extent to which all pupils can participate in the school curriculum.

The school has set the following overall priorities for increasing curriculum access:

- Flexibility of timetabling e.g. across year groups
- Increasing the availability and range of vocational / entry level courses

2. Improving the physical environment of the school to increase the extent to which disabled pupils can take advantage of education and associated services:

The school has set the following priorities for physical improvements to increase access:

- To install handrails on both sides of the staircases
- To maintain the ramps to mobile classrooms
- To organise wheelchair access to the gym if necessary
- Safe access to the fire assembly point

3. Improving the delivery to disabled pupils of information that is provided in writing for pupils who are not disabled:
