1. AIMS OF THE EXAM CONTINGENCY PLAN

The aims of this plan are:

- To examine potential risks and issues that could cause disruption to the management and administration of exams.
- To mitigate the impact of disruptions by providing actions or procedures to follow.
- To safeguard the interests of candidates while maintaining the integrity of the examination system and safeguarding qualification standards.

All awarding organisations are required to have their own well-established contingency plans in place to respond to such disruptions. The Examination Contingency Plan takes into account these processes and procedures and is designed to complement them, not replace them. This also applies to all other qualifications at Ysgol Llanfyllin.

The priority when implementing contingencies will be to maintain three principles:

- Delivering assessments to published timetables
- Delivering results to published timetables
- Complying with regulatory requirements in relation to assessment, marking and standards.

2. LEGISLATION AND GUIDANCE

This plan complies with the Joint Council for Qualifications (JCQ) General Regulations for Approved Centres (<https://www.jcq.org.uk/exams-office/general-regulations/generalregulations-for-approved-centres-2023-24>), which require all exam centres to have a written examination contingency plan/examinations policy. PROCEDURE FOR SEVERE DISRUPTION / EVACUATION DURING EXTERNAL EXAMINATIONS

POSSIBLE CAUSES

1. Unreasonable noise disruption
2. Fire/Bomb/Flood Alert during an Examination

1. Unreasonable noise disruption

In the event of a severe disruption in an externally set examination, invigilators are advised to stop the examination, tell the candidates to close their answer books, make a note of the time and summon help (Jan Jones/SLT (examinations)/Fire Officer/Main Office) to resolve the problem. Exam room conditions must be maintained.

When the disruption has been resolved the candidates can resume their examination and the time taken to resolve the issue added on at the end of the examinations. The candidates must be supervised at all times and thus the break in the examination can be regarded as 'a supervised rest break'.

An incident log (Appendix iii) must be completed with the times of the disruptions noted.

Jan Jones to make Examining Bodies aware of the disruption if necessary.

2. Fire/Bomb/Flood Alert during an Examination

Procedure for Emergency Evacuation from an Examination

- Jan Jones will proceed to the Exam venue.
- The SENDCO will proceed to the rooms housing the candidates with Access Arrangements.
- The lead invigilator will mark the time of the interruption on the whiteboard and Evacuation Sheet, and stop the exam in each room. The lead invigilators will be responsible for taking a copy of the attendance lists to the evacuation point.
- All students must remain in the exam room, seated in silence until the member of staff arrives.
- In the event of an alarm the candidates will be asked to stand behind their desks and, leaving their exam papers and belongings behind (including mobile devices that were handed in prior to the start of the examination), will file out one row at a time to the assembly point. They will be accompanied by the invigilators and the member of SLT, Jan Jones and SENDCO. The exam room(s) will be locked.
- Students must line up at the Assembly Point at the opposite side to the main body of the school population. A register will be taken from the attendance list to establish that all candidates are present.
- When it is safe to return to the building, the candidates will be led back to their examination room and as soon as all candidates are seated and settled the examination will be resumed. The candidates will be entitled to the full time for the examination.
- The candidates must remain under examination conditions during emergency evacuation procedures and must not attempt to contact another candidate or any other member of the school community.

- Jan Jones will contact the Examination Board in accordance with JCQ regulations. [http://www.jcq.org.uk/exams-office/ice--- instructions forconductingexaminations/instructions-for-conducting-examinations-2015-2016](http://www.jcq.org.uk/exams-office/ice---instructionsforconductingexaminations/instructions-for-conducting-examinations-2015-2016)
- If a candidate is present who may need assistance in the event of an emergency evacuation, a named invigilator will be asked to take responsibility for escorting/aiding this candidate to the evacuation point.
- In the event of an emergency requiring candidates to evacuate buildings during an examination the following areas should be used but the candidates must be kept at a distance and in silence from the main body of pupils who will be mustering at the same emergency evacuation point (Red Gra).

The ASSEMBLY POINTS are as follows:

- 🚩 Assembly Point 1 – Football Pitch 1

Useful telephone numbers:

Exams Officer – 01691 649307 / Reception – 01691 648391

At all times invigilators must act in accordance with section 16 of the ‘Instructions for conducting examination’ booklet. They should also summon assistance immediately an emergency arises. Silence should be maintained during the time the candidates are outside the examination room. <https://www.jcq.org.uk/exams-office/ice---instructions-forconducting-examinations>

EMERGENCY EVACUATION PROCEDURE (STUDENTS)

What to do if there is an emergency during your exam:-

- Listen carefully to the instructions the invigilators give you.
- Leave the exam room calmly and stay with the members of staff at all times.
- Do not talk to other students, either from the exam or from outside – remember that you are still under exam conditions and have to follow the exam regulations.
- Staff will take you out of the building and you will wait outside until the emergency is over
- You will not lose any time from your exam. When it is possible to return to your exam room, any time lost will be added onto the end of your exam time.
- If you break any of the exam regulations during the evacuation procedure, this will be dealt with in exactly the same way as if it had happened in the exam room

On the sound of the fire alarm (continuous ring): Students must follow the instructions given by the exam invigilator(s). Exam conditions continue to apply so talking or gesturing to the other candidates is not allowed.

EMERGENCY EVACUATION PROCEDURE (INVIGILATORS)

- Students must leave the exam paper on the desk along with their equipment. They will not be allowed to collect their belongings.
- Evacuate the students in the exam room row by row (where appropriate). The senior invigilator will assign invigilators to accompany and supervise the students as they leave the room. Each invigilator should supervise no more than 30 students and remain with them at all times
- Students will be directed to the appropriate assembly point where they will wait in the same order as in the Exam Room. Students should remain in silence and do as instructed by any member of staff.
- Do not allow students to run.
- Jan Jones and SLT will provide assistance with the supervision of candidates
- Once all candidates are evacuated Jan Jones checks that there are no students remaining in the exam room and closes the fire doors. Other access points to the room must be locked
- The roll call will then be completed in accordance with the candidate entry list and seating plan
- Jan Jones will liaise with a member of the Senior Leadership Team to ascertain the status of the fire evacuation. If the fire evacuation is a drill or false alarm the candidates will be escorted back to the examination room for the exam to be re-started in accordance with the JCQ regulations.
